

Solar Light

20W - 500W | 300 - 3750 Lumens

20W

300 Lumens

Features

- Weather resistant
- Built-in lighting protection
- No wiring required
- Easy installation
- Wall mount included
- Built in battery and solar panel
- Automatic light control by motion sensor
- 1 Year Warranty

Technical Specifications

MODEL	EVISLWJ192
Power	20W
Lumens	300 Lumens
LED Chip	42 pcs 5730 chip
Solar Panel	6V/3W
Battery (3.2V)	Li-ion 3Ah
Material	ABS
Working Mode	Sensor
Working Time	6-8 hours
Lamp size	310*160mm
Warranty	1 Year

100W - 200W

2175 - 3750 Lumens

Features

- Weather resistant
- 12-36 hours light
- Powerful LED chips
- Built-in lighting protection
- No cabling required alluminium body
- Built in battery and solar panel
- Automatic light control by motion sensor
- Remote included
- 1 Year Warranty
